

## Our mission:

To provide primary medical treatment to patients ages 18 – 64 in our community who do not have health insurance or who cannot afford their high deductibles or co-insurance.

### Brattleboro Walk-In Clinic

191 Clark Ave Suite 1 Brattleboro VT  
05301

# Brattleboro Walk-In Clinic

The Brattleboro Walk-In Clinic is a non-profit organization started in 1993 by a small group of concerned community members to provide primary medical care. It continues today with dedicated volunteer physicians, nurses, nurse practitioners, and receptionists.

## Hours

Check-In: Tuesday evenings  
5:00PM–6:30PM

## Frequently Asked Questions:

Q: Can I have services at the Clinic if I don't live in VT?

A: We provide care to area residents including Vermont, New Hampshire, and Massachusetts.

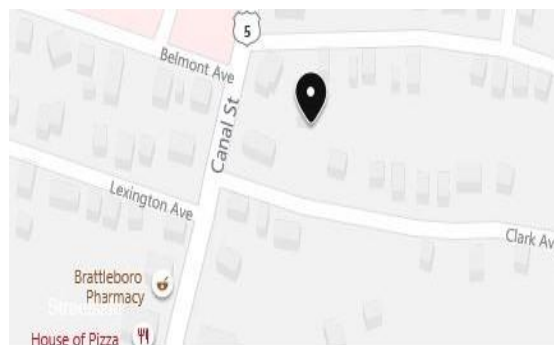

Q: Does the Clinic provide lab and x-ray services?

A: We can refer you and/or write an order for you to take to your hospital or Urgent Care. You would be responsible for the charges incurred.

Q: If I need to come back to the Clinic will I be able to see the same provider?

A: The Clinic providers are volunteers whose schedules rotate. All providers are caring professionals who will have access to your chart for follow ups.

Please visit our website at [www.brattleborowalkinclinic.org](http://www.brattleborowalkinclinic.org) for more information and a list of additional local health & wellness resources.

## Services provided at the Brattleboro Walk-In Clinic:

\*Basic primary medical care for ages 18 – 64

\*Referrals to other health care providers when needed

The Brattleboro Walk-In Clinic cannot provide the following:

- Mental health services
- Narcotics or any controlled substance prescriptions
- Workmen's compensation or disability care
- Physicals
- Care for anyone under the influence of drugs or alcohol
- Well child exams or immunizations
- Birth control, pregnancy tests or testing for sexually transmitted diseases
- Travel immunizations
- Dental services

The Clinic provides care at no cost to our patients. We do request that when possible, patients contribute toward their care by making a donation. All patients receive the same quality of care regardless of ability to donate.

Thank you for your support.
